

JANE HASTY PHOTOGRAPHY

POLICY & PRICING OVERVIEW

Booking your session: Sessions can take place at your home or any agreed upon location. Parks, beaches or fields work beautifully. I typically schedule shoots for the morning or late afternoon. We can work together to schedule around work, school, naps & feedings. I shoot in natural light. Overcast or cloudy skies are great for outdoor shoots. If nature does not cooperate I will contact you to reschedule. Sessions last between 1-1.5 hours. You are guaranteed a proof gallery of 20-30 images to choose from. If you have to reschedule your session please give at least 48 hours notice.

Investment: Session fee is \$175. All sessions are for up to five people and \$25 for each additional subject. This fee covers my time, talent and proofing only. No prints are included. There is a travel fee of \$15 for travel greater than 20 miles. Parking fees are extra. Session fee is due at time of session. Prints can be purchased a la carte as noted. (For those interested in multiple shoots in a one year time frame I offer a \$25 discount per subsequent session.)

Prints:
